

Photography Guidelines for Judged Shows at ALOC

- *Work must be artist's original concept
- *It must be produced by the artist or under his/her supervision
- *It must be produced within the last three years, and not previously shown in an ALOC judged exhibit.
- *Acceptable printing processes include negatives, slides, digital or Polaroid.
- * Work that has been digitally manipulated beyond traditional developing procedures should be labeled "digital art" (not photography).
- *Photocopies, lithography, and photographs of existing artwork are not acceptable.
- *Mixed Media & Collage pieces that incorporate the use of a photograph in the piece must be so labeled. (e.g. photograph and pastel, or digital art and pen and ink)
